- II. Apologies
- III. Clerk to Parish Council
- IV. Video Presentation
- V. A.O.B
- VI. Date of Next Meeting

**I. Welcome**

Robert Hopkins, Chair opened the meeting and welcomed the guests for the evening

**II. Apologies**

Mrs Linda Jackson  
Mr & Mrs M Bishop  
Mr & Mrs S Robertshaw  
Mrs A Burbage

**III. Clerk to Parish Council**

Holly Hanson explained due to lack of support at village Parish Council meetings it was agreed she would attend the neighbourhood watch meetings for the first 10 minutes to discuss any problems, complaints or queries members of the village have and hopefully going forward the two groups will become pro-active together.

The points raised were:

- The smell from the Biowaste plant on Middlegate Lane – can everybody report any smells regularly to the Environment Agency Incident Report Line (0800 807060) they need at least 50 calls on one problem for them to raise a complaint or look into further action.
- Village Planting Day 09<sup>th</sup> June, all are welcome to help plant up various containers around the village
- Next Parish Council Meeting is 03<sup>rd</sup> June 2019
- St Andrews Place Footpath is an ongoing concern the Parish Council have and are hoping repairs will be completed soon
- 34 Main Street has a tarmac gully, this issue has been raised and she will take the matter further with North Lincolnshire Highways
- The ongoing issue with Carr Lane

Holly thanked everybody for their time and left at 7.34pm

**IV. Video Presentation**

Jack Ellerton and Caroline Boff from Humberside Police Making A Difference Campaign/ North Lincolnshire Council Safer Neighbourhood Team attended the meeting to give us a short presentation on home security.

- It was to make us aware of how burglars pick properties
- Do we have deterrents on our property?
- Do we keep our homes and windows locked?
- Do we keep our valuable safe whilst we are away?
- Immobilise.com was a recommend website for valuables

**V. A.O.B**

- Parked cars on footpaths – can we do anything? We were all in agreement this was more a parish council issue but a brief discussion on what was possible such as mentioning it in the monthly Wolds newsletter or placing Highway Parking Leaflets on offending vehicles.
- Can we offer community assistance to anybody in need not just the vulnerable members of the village? Future discussion
- 16 plate truck seen in the village advertising for tree trimming and gardening services, possible suspicious everybody was made aware.

**VI. Next Meeting**  
Thursday 18<sup>th</sup> July

***Meeting closed at 8.15pm***
